Tony J. Guizzotti 1956

I would like to nominate Anthony J Guizzotti (Tony) class of 1956 to the Hall of Fame.
Tony was a westside guy whose parents immigrated to Buffalo from Sicily in the early 20's. He is the youngest of 10 siblings

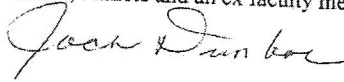

After graduating from Fallon he married his lifelong partner Ann Marie and together they had three boys. He worked his way through Canisus College where he earned a BS in Business Ad. After graduation he taught at Bishop Neuman HS and worked with Republic Steel setting up retraining programs for displaced workers. He continued to work in the training area with the New York State Labor Dept. from which he retired several years ago.

During his high school years he was always a dynamic force on the football team from 52 to 56 when there weren't many highlights to brag about. Tony was always involved with the organizing of the class of 56's alumni events and was one of the guys who helped keep us together as a group.

Tony now spends his winters in Florida with His wife Ann enjoying retirement.

I feel that Tony should be recognized by the Hall of Fame. Over the years he distinguished him self as an Alumni, Athlete and an ex faculty member.
